EXECUTIVE BIOGRAPHY

Dinesh Paranthagan is the Founder & CEO of Hackup Technology and a cybersecurity practitioner with over 13 years of experience as an ethical hacker and penetration tester. His work spans VAPT, SOC implementation, digital forensics, cybercrime investigation, GRC consulting, red and blue team engagements, IoT security and AI-integrated cybersecurity. He has supported cyber crime investigations. A regular voice on Tamil media and a sought-after resource person for colleges, Dinesh is passionate about turning students into skilled, ethical defenders.
